Dear Parents / Carers,

Christmas Light Switch on Raffle

Pupils are invited to come to school on Friday 6 November 2026 in 'dress down clothes'. In return for dressing down, we are asking for Christmas themed donations for our Parent Council Christmas Light Switch-On Raffle.

We ask that pupils bring in an item themed around Christmas to create hampers for the raffle. Tickets for the raffle will be sold in the run up to the Community Light Switch-On (which will take place this year on Thursday 3 December) to raise money for the school.

Please see below some ideas of items that could be donated as part of the raffle to create hampers:

Small Christmas decorations, Christmas food items such as selection boxes, Christmas biscuits, mince pies, a small toy, stocking fillers, red / green themed items or bottles (which must be donated via the school office rather than in class).

Many thanks in advance for your support.

Yours sincerely

Mrs Jo Bell
